ABOUT ME

I am Zakir, a highly motivated, self-taught Front-end Developer. Currently, I closely follow Front-end Development updates and their application areas.

I believe I know how to identify problems, solve and how to do research on them. I always give attention to the details of my projects and the ways to improve them.

Sex Male | Date of birth 17.12.1989 | Nationality Azerbaijani

EXPERIENCE

- Mini e-commerce platform with PayPal payment written in React
- CRUD web app with Authentication and Google Firebase built in Vue
- Fully responsive website written only in HTML, CSS, and jQuery
- Experience with tools like Sass, Bootstrap, Git, and REST API

For further details please visit the **Projects** section on zakir-mhv.github.io.
